### **What's included in the fee?**

The program cost is \$2,800 for the entire stay. This includes food, accommodation, local transportation to program visits, local activities, and airport transfers from the Aurangabad airport to the PACE Centre.

Please note that airfare is not included. Participants are responsible for booking and paying for their travel to and from Aurangabad.

### **Where will the participants stay?**

The participants will stay at the PACE Centre which is equivalent to a 3-star hotel in India. The center has AC, internet and hot water. The participants will stay in double rooms which they will share with fellow participants.

### **Is there internet at the hotel?**

Yes, there is internet at the PACE Centre. Participants must be mindful that the internet might not be as stable and consistent as they are used to at home.
